2027 STALLION SERVICE AUCTION

The National Youth Cutting Horse Association's Stallion Service Auction was established as a primary fundraiser to help ensure the growth and progress of the NYCHA and its youth programs. It is designed to provide funds for scholarships, awards, prizes, and other activities that will promote and encourage participation in the sport of Cutting by NYCHA members.

NYCHA STALLION SERVICE AUCTION CONDITIONS

Stallion Services are donated to NYCHA, and the donated services will be offered for sale through the NYCHA Stallion Service Auction. Information on donated stallions will be listed on the NYCHA website, the NYCHA stallion service auction site, various social media platforms, as well as an 8 x 10 picture of your stallion to be showcased in the NYCHA Booth during the 2026 National Cutting Horse Futurity. As a condition of participation in this program, the stallion owner/donor must agree to the following:

1. The stallion owner or their representative must sign the BREEDING DONATION CONTRACT. They are also responsible for informing the breeding facility of the donation.
2. **A stallion owner/donor may purchase their own stallion service at fifty percent (50%) of the advertised or "established" breeding fee at the time of donation. This will eliminate the stallion from the public auction, but the stallion will still be listed in all promotional advertising and on the appropriate website(s).**
3. The stallion owner or breeding facility may charge the mare owner for normal mare care charges and any other applicable fees, such as chute fees, veterinary fees, semen shipping fees, booking fees, etc.
4. If the stallion is sold at any time during the stallion auction, the donor of the stallion breeding must immediately notify NYCHA.

STALLION SERVICE AUCTION PROCEDURES

1. All donated breedings will be offered for sale online at nychastallionauction.com for a minimum starting bid of fifty percent (50%) of the advertised breeding fee. If a stallion stands at Private Treaty or is syndicated, an "established" breeding fee will be determined.
2. Any breedings not sold when initial bidding closes, or breedings donated after December 15, 2026, will be offered on a first-come, first-serve basis for 40% of the advertised breeding fee. Donated breedings will be offered until June 1, 2027, or until sold – whichever comes first.
3. **BIDDER RESPONSIBILITY:**
    a. **It is the potential bidder's / MARE OWNER'S RESPONSIBILITY TO CONTACT THE STALLION OWNER AND/OR BREEDING FACILITY FOR ADDITIONAL FEES before BIDDING.**
    b. **All placed Bids are binding and may not be retracted after submission.**
4. Winning bids must be paid within 5 working days by check, cashier's check, or credit card to the NCHA directly. If not paid by this date, NCHA will implement its collection procedures.
5. Once NYCHA receives payment for the donated breeding, the stallion owner and breeding facility will be notified. **The stallion owner or their representative is responsible for sending an original breeding contract to the mare owner once this notification is sent.**
6. NYCHA will also give the designated donor contact and breeding facility contact name and phone number to the purchaser.
7. All Breeding arrangements will be made between the donor and purchaser. **NYCHA is not responsible for booking dates, any additional fees, or changes to additional fees associated with this breeding.**
8. Any breeding purchased through the NYCHA Stallion Service Auction may not be transferred or re-sold by the purchaser. Breedings are for the 2027 season only. Any carryover to a future year is at the sole discretion of the stallion owner.
9. **NO REFUNDS: Because** of the nature of the program's purpose, there will be no refund of winning bids for any reason.
10. **After the bidding has been completed, any transaction dealing with the breeding will be solely between the stallion owner and the mare owner. It will in no way involve the NCHA or NYCHA.**
